Anti-Social Behaviour (ASB) means “behaviour, whether or not in itself criminal, that causes or is likely to cause harassment, alarm or distress to other people.

Please only include things happening now, not in the past.

Please use this diary sheet to record specific incidents which have directly affected you. Please give as much information as possible, including descriptions of the perpetrators – **their name and address if known**, descriptions, and approx age. Continue onto another sheet if necessary and number all pages. Please note that this diary sheet could be used as evidence in court or shared with a partner agency.
